...and guaranteed within 30 days!

About IMS Certification

IMS Certification International Plc is an International Certification Body accredited to assess and certify companies against ISO International Standards. We provide first class and cost-effective certification services for a range of ISO International Standards including:

ISO 9001 - Quality Management Systems
ISO 14001 - Environmental Management Systems
ISO 27001 - Information Security Management Systems
OHSAS 18001 - Health & Safety Management Systems

Our Mission

Our unique *'Certification made simple*™' process involves just *'three simple steps'* to guaranteed successful certification for companies large or small in all trade sectors and markets. Our customers also benefit from our 'three unique guarantees':

- ✓ **Certification within 30 days**
- ✓ **No Certification – No fee, and**
- ✓ **Discount for multiple certifications**

Accreditation

IMS Certification is accredited by the International Accreditation Agency (IAA) whose network issues certification registrations to companies throughout the world including amongst others; Government Departments / Agencies, Local Authorities, Health Sector, Manufacturing Sector, Service and Retail Sectors, Charities / Not for Profit, and the Professions.
