## About IMS Certification

IMS Certification International Plc is an International Certification Body accredited to assess and certify companies against ISO International Standards. We provide first class and cost-effective certification services for a range of ISO International Standards including:

- ISO 9001 - Quality Management Systems
- ISO 14001 - Environmental Management Systems
- ISO 27001 - Information Security Management Systems
- OHSAS 18001 - Health & Safety Management Systems

## Our Mission

Our unique 'Certification made simple™' process involves just 'three simple steps' to guaranteed successful certification for companies large or small in all trade sectors and markets. Our customers also benefit from our 'three unique guarantees':

- ✓ Certification within 30 days
- ✓ No Certification – No fee, and
- ✓ Discount for multiple certifications

## Accreditation

IMS Certification is accredited by the International Accreditation Agency (IAA) whose network issues certification registrations to companies throughout the world including amongst others; Government Departments / Agencies, Local Authorities, Health Sector, Manufacturing Sector, Service and Retail Sectors, Charities / Not for Profit, and the Professions.

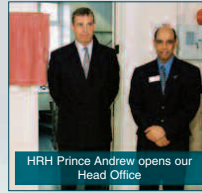

## Our Services

IMS Certification services are fully detailed in our 'Company Information Pack'. Our services include:

- ISO Standard Certifications
- SupplierMark®
